BATCH BOOK

Dr. Eden Y Woon

- PRESIDENT -

Dear Graduates,

We are approaching the end of the 60th Anniversary Year of AIT. It is most meaningful that your graduation is still part of our 60th Anniversary celebrations. I am confident you will find your preparation at AIT to be useful to society and your country, as 24000 alumni have found before you.

Remember the motto for this 60th Anniversary: "Transforming AIT". Use that to remind yourself you need to do this continuous transforming personally also. Good luck in your future career! We hope that today is only the beginning for your successful career, and don't forget to come back to see us at AIT!

Dr. Eden Y Woon
President

Dear Graduates,

On the occasion of this 131st graduation, I most warmly congratulate you on your successful completion of your academic program. You have now crossed an important milestone due to your hard work, persistence and dedication. This is also the time to thank all those who supported you in your AIT journey - faculty and staff, and your family and friends.

You had the chance to experience the unique academic curriculum and research environment, as well as a rich tapestry of cultural and extracurricular activities, during your stay at AIT. We hope that this experience will help you as you consider your future career options.

Our best wishes are always with you in all your future endeavours. I urge you to remain in contact with your alma mater and keep the network ties strong wherever you are in the world.

ADMINISTRATION

Dear Graduates,

A most heartfelt congratulations from our AIT family to all of you on your graduation. This is a memorable moment and I have no doubt that you will go forth and make significant contributions in your chosen fields and communities. I know that you will make AIT proud.

I am also sure that this journey has been accomplished thanks to the contributions of many influencers; your own personal hard work and dedication, our talented AIT faculty and staff, your families that have supported you quietly behind the scenes, as well as the many friendships that have seen you through late nights studying and those wonderful social occasions, or just been there when needed. Remember our community as you leave AIT, and as a new member of our alumni, know that you are always welcome to come back home at any time.

May this graduation be a celebratory pause on your journey of lifelong learning.

Mr. Russell Bruce Rein

Dear Graduates,

It is a pleasure for me to congratulate you on the completion of your studies at AIT, and enter the professional life, or continue your higher studies. From my personal experience, I can assure you that graduating from AIT will be a turning point and a stepping stone for your careers.

As part of its new vision, AIT is initiating several mechanisms to maintain a closer engagement with its graduates, in close collaboration with the AIT Alumni Association, of which you will be a member. This includes the Graduates Club, the Entrepreneurship Center, the AIT Enterprises Alliance and the graduates lifelong learning programs.

We hope you will actively participate. We wish you the best, and are looking forward to your continuous interactions with AIT.
